

WELCOME TO K-5

This is going to be an exciting and great school year. In K-5 we are using the Abeka curriculum for all subjects, and we will learn a variety of things.

In Reading, the students will learn to recognize letters and the sound for each letter. As they learn each letter, they will begin to blend the letters together to soon make words. When they leave K-5 they will know how to read!

In Numbers, we will learn to count to 100 by 2's, 5's, and 10's. We will learn each number out of sequence, and we will also learn to add and subtract.

K-5 is a fun filled year full of fun games, songs, art, story time, and our favorite time, Bible. In Bible we will learn to know Jesus, to become prayer warriors, and what we have to do to be saved.

I look forward to getting to know you and your child. It is a blessing to have you here at RiverWalk Christian Academy.
